SECTOR TRAINING EXPERIENCE & EXPERTISE

- Successful completion of a DCSF funded consultancy project identifying structures and strategies needed by a Local Authority to address the new 14-19 landscape
- Produced a range of models, tools and strategies to be used by Local Authorities to ensure their readiness to deliver 14-19 entitlement
- Carried out a major review of all partnership arrangements linked to 14-19 education for a Children's Services Directorate
- Produced a range of protocols, procedures and management tools appropriate to the commissioning of 14-19 learner services
- Developed frameworks, models and strategies for a successful Pathfinder project
- Provided pre and post Stage 2 support for Local Authority regions and sub-regions
- Significant senior level experience of collaborative initiatives at local, regional, national and international levels
- Acknowledged expertise in post-16 funding and its practical implications
- Network of specialist 14-19 consultants
